If I Ever Get to Heaven

By The Weber Brothers 2005

Dedicated by Steve L'Esperance

I don't care about tomorrow
Just try to get through the day
Keep a clear head and conscience
Stay out of everyone's way
I try to think of others
Try to think pure thoughts
I ain't rich enough to change things
Just strong enough to get along

Chorus:

*If I ever get to Heaven
I'm gonna walk on a cloud
Smoke a peace pipe with an angel
Talk of life on the ground
If my existence is over
When my time runs out
Remember me then
I'll meet you again
If I ever get to Heaven*

All I am is a person
All I do is my part
All I ask is forgiveness
All I have is a heart
I don't preach from the Bible
I don't stand up for song
When it comes to makin' money
Just need enough to get along

Chorus

I don't ask much of no one
They don't ask much of me
I don't claim to be a wise man
Had my spirit set free
All I've done in my lifetime
May not be enough
Somebody's out there listening
Please think of me with love

Chorus

Remember me then
I'll meet you again
If I ever get to Heaven

Beyond the Sunset

Sung by Dianne Patterson

Piano by Betty Patterson

Beyond the sunset's radiant glow
There is a brighter world, I know,
Where golden glories ever shine,
Beyond the thought of day's decline.

Refrain

*Beyond the sunset's radiant glow,
There is a brighter world, I know;
Beyond the sunset I may spend
Delightful days that never end.*

Beyond the sunset's purple rim,
Beyond the twilight, deep and dim,
Where clouds and darkness never come,
My soul shall find its heav'nly home.

Refrain

Beyond the desert, dark and drear,
The golden city will appear;
And morning's lovely beams arise
Upon my mansion in the skies.
