

multimedia podium

Designed for Education with input from Facilities, IT, AV, and Special Needs
 Tried and tested at Sheridan College, leader in high technology education

Electronics: Supports laptop docking station, document camera, VCR and phone.

Wiring: Grommets and vertical space to support full wiring throughout, and accepts wiring from pack pole, wall or floor.

AV Access: Front-hinged access panel for quick wiring connects.

Security: (optional) No keys required – the Security 'Unican' master lock with three-digit code secures all – including the drawer.

Convenience: Pullout Breadboard for extra surface area, adjustable shelves inside.

Special Needs: Built-in pullout step.

Esthetics: Beautiful natural maple finish with curved front
